Dear Sir :- Replying to yours of the 6th, would say that our agent will be in the west within the next thirty days and we are now expecting that he will take a machine with him. Will try to make arrangements to see you. We think we have a machine that has more advantages than are combined in any other typewriter, and if you are desirous of taking hold of any machine we think we could be of service to you.

Yours very truly,

PEERLESS TYPEWRITER CO.
