NEW YORK, OCT 2

DEAR SIR:-

THIS LITTLE TYPEWRITER DOES THE  
SAME QUALITY OF WORK AS A "REMINGTON"  
AS TO SPEED, WILL SAY I CAN WRITE 20

A Toy is most fascinating when it is most like what grown folks use. This is true of the American Toy Typewriter. It prints a letter just like a grown folks' Typewriter. Takes any sized paper, has an Automatic Feed and a Self-inking Type Disk. It is the best educational Toy we know. We furnish with it a small bottle of aniline ink, for re-inking the roller. Size of base 9½ x 4½ inches.
